

I have heard that WRLH - Fox35, the broadcast affiliate for Fox TV in my locality, is being ordered by Sinclair Broadcasting to pre-empt regular primetime evening programming to air the film: "Stolen Honor: Wounds That Never Heal." This is an illegal in-kind corporate contribution to the Bush-Cheney campaign.

This is contrary to the public interest and I urge you to stop this broadcast and to do what needs to be done to prevent this kind of abuse of the public airways in the future.

If WRLH airs this film then I want to oppose this station's future license renewal to operate over the public airways.

Thank you,

David Forrest
